Our Financial and Cancellation Policy

E-mail: _____

Thank you for choosing Canyon Park Dental. We realize that everyone has a choice in their dental providers and we are honored you have entrusted us to care for you and your family.

FINANCIAL POLICY

For our patients with Insurance

Dental insurance has become more complex than it has ever been in the past. To cut costs, employers are changing dental insurance policies frequently. Insurance policies vary, even within the same insurance company. We encourage you to review your policy in detail prior to your appointment so you are aware of your plan specifics and to avoid any financial surprises. *All questions about your coverage, including remaining dental benefits, should be directed to your insurance company.*

It is imperative that we are aware of any changes to your insurance prior to your appointment. If for some reason we are unaware of a change, unfortunately, you will be responsible for the entire amount. Once we receive your new insurance information, as a courtesy, we will resubmit the claim to your new plan and have any benefits sent directly to you.

Please remember, your insurance policy is a contract between you and your employer

We will estimate and assist you in determining your dental insurance benefits. However, there are several factors that can affect the estimate. There may be a deductible, or you may have received treatment at another office prior to joining our office. We can make no guarantee of any estimates given by our office or your insurance company. Any percentage not covered by your insurance is due at the time services are rendered. If for any reason the estimated amount is not paid by your insurance company, you will be responsible for the remaining balance.

Separate Households

In instances where there are two households dividing the financial responsibility, any and all payment arrangements must be made between those parties involved exclusive of Canyon Park Dental.

Payment Options

- *As of January 2015 – We will be collecting what Insurance will not be helping with for services rendered*
- Credit Cards: Visa/MasterCard/Discover/American Express
- Outside Financing: CARECREDIT- For transactions of \$200.00 or more we are able to offer our patients a third party interest free line of credit. Applications are available from our Patient accounts coordinator, Evie Martin.

For all billing questions, please contact our Patient Accounts Coordinator: Evie Martin @ (425)877-1138

CANCELLATIONS

A scheduled appointment is a commitment of time between you and our practice. We have reserved that time just for you. When appointments are missed or cancelled short notice, that time is permanently lost. *If you find you cannot keep your scheduled appointment, we request a minimum notice of 48 business hours. Failure to do so may result in a \$100 per hour missed appointment fee. We understand emergencies occur and we will always take that into consideration.*

After 3 missed appointments, our office will visit with you to determine if your dental needs may be best served at another office more conducive to your schedule. If we both should choose to continue our relationship you may be asked to prepay all future appointments.

If you have any questions, please do not hesitate to contact us. We sincerely appreciate your understanding and cooperation in our desire to establish and maintain a strong and healthy relationship.
